Airliners International 2021

Phoenix, Arizona USA

Welcome!

Thank you for attending Airliners International ~~2020~~ 2021 PHX!

The last 16 months have been interesting, difficult, scary and life-changing. Bill, Elizabeth and I hope that AI 2021 PHX will be a return somewhat to normalcy. If the pandemic has seriously affected any of you or your family, please accept our deepest sympathy.

It has been a unique challenge to put on the 2021 show. With all of the unknowns early this year, the decision to go ahead was only made in March. This has compressed the time we normally have for planning AI by 60%. Tours have been a particular difficulty, as many businesses are still planning their Covid protection exits. We sincerely thank the Aviation Department of the City of Phoenix, for allowing our group the extremely rare access to their airport ramps at PHX and Goodyear. Due to continued restrictions on international travel, our foreign visitor attendance will be low this year.

On the positive side, we have many new vendors and attendees this year. And even though it might be a bit hot this week (please drink lots of water and use sunscreen!), the City of Phoenix is a wonderful and vibrant place for us all to enjoy. If there is anything we have missed in our compressed planning for AI 2021 PHX, please let us know and we will do our best to help.

Thanks for your continued support of Airliners International and the World Airline Historical Society. We'll see you next year at Airliners International 2022 ORD, June 23-26 2022

Chris Slimmer ~ Elizabeth Vaughan ~ Bill Demarest

WELCOME to Airliners International 2021! We are even more excited than normal, since we couldn't get together last year. Thanks to Chris Slimmer and Elizabeth Vaughan for all they have done to make this rescheduled event possible!

The World Airline Historical Society originated and supports the yearly conventions. We need YOUR support to continue. Our new team hopes to invigorate the Society, and possibly have it branch out into new directions.

As President of the World Airline Historical Society, I'm looking forward to talking with all of you about our future. At this year's event, you will most likely find me, and my lovely and supportive wife Pam, at a table in the exhibit hall, finding new homes for some items from the Jon Proctor collection. All proceeds from these sales will benefit the Society. Please stop by!

Also, you will be able to join or renew your WAHS membership in Phoenix. If unable to attend, you can do that (and also contact us) via <https://wahsonline.com>

Enjoy your time at the convention, and stay cool!

Yours,

Phil Brooks
