Airliners International 2022

Chicago Illinois USA

Welcome!

WELCOME to Chicago! It has always been the hope of the WAHS to bring Airliners International to the "Windy City", and now we have done it!

Chicago is one of the great aviation cities of the world. With one of the busiest airports, three great hub airlines, over 40 other passenger airlines and countless more cargo carriers, ORD (and MDW) provide some of the best aircraft spotting in the USA. Our trade show floor brings in sellers from all over the world, and our educational seminar program is not to be missed. Add to that our Saturday night banquet, this year featuring special guest Howie Franklin, a longtime US Air Force steward on and historian of Air Force One.

Thanks to the Chicago Department of Aviation, American Airlines and United Airlines, we have been able to offer fantastic tours. All this and with the world class museums and food, your visit to Chicago will be a memory of a lifetime!

Thanks for your continued support of Airliners International and the World Airline Historical Society. We'll see you next year at Airliners International 2023 DFW, June 22-24 2023.

Chris Slimmer ~ Bill Demarest

WELCOME to Airliners International 2022! We are especially excited about our international Attendees returning this year.

Thanks to Chris Slimmer and Bill Demarest for all their work in putting this year's convention together!

The World Airline Historical Society originated and supports these annual conventions. We need YOUR support to continue. As President, I'm always interested in your views on how the Society can improve and expand. Also, if you have an interest in hosting a future convention, please contact us.

Please join or renew your WAHS membership at Airliners International. You can find me, along with my lovely and supportive "First Lady" Pam, at the WAHS table at the entrance to the main exhibit hall, where we will be selling items from members who are no longer with us, and other donated airline collectibles. All proceeds from these sales directly benefit the Society. Please stop by!

Enjoy the show!
