AIRLINERS INTERNATIONAL™

**DFW2023**  
**JUNE 22-24**

# **Airliners International 2023**

## **Dallas - Ft Worth Texas**

### **Welcome!**

#### **WELCOME to Dallas! !**

Dallas has so much to offer to the airline fan. DFW is the 2<sup>nd</sup> busiest airport in the world. With over 50 passenger and cargo airlines, DFW is an aircraft spotters dream. With all the cool tours we are offering this year, and our host hotel at DFW Terminal C, AI 2023 will be one of our most memorable shows.

Our trade show floor brings in sellers from all over the world, and our educational seminar program has wonderful new participants. Add to that our Saturday night banquet, this year featuring special guest Bonnie Tiburzi Caputo, American Airlines first female pilot, and the first female pilot hired by a major US airline!

Thanks to Southwest Airlines, American Airlines, Airways Magazine and the local air museums for help with this year's show. As the 4th largest metropolitan area in the USA, the "DFW Metroplex" has much to offer, don't forget to find some of that great Texas BBQ!

Thanks for your continued support of Airliners International and the World Airline Historical Society. We'll see you next year at Airliners International 2024.

*Steve Cosgrove ~ Chris Slimmer ~ Bill Demarest*

#### **WELCOME to Airliners International 2024 and The Big D!**

Thanks to Chris Slimmer, Steve Cosgrove and Bill Demarest for all their work in putting this year's convention together!

Dallas holds a special place in my heart as the site of MY first Airliners International, in 1979. Attending and meeting other airline enthusiasts changed my life forever, and I haven't missed once since. The World Airline Historical Society originated and supports these annual conventions. We need YOUR support to continue. As President, I'm always interested in your views on how the Society can improve and expand. Also, if you have an interest in hosting a future convention, please contact us.

Please join or renew your WAHS membership at Airliners International. You can find me, along with my lovely and supportive "First Lady" Pam, at the WAHS table in the main display hall, where we will be selling items from members who are no longer with us, and other donated airline collectibles. All proceeds from these sales directly benefit the Society. Please stop by!

Enjoy the show!

*Phil Brooks*  
*President, World Airline Historical Society, Inc.*  
*Info@WAHSONline.com*

Airliners International 2023 Dallas is operated by Airliners International 2023 DFW LLC which licenses the 'Airliners International' trademark from the World Airline Historical Society, Inc. The Society is a sponsor of the show and participates through its annual membership meeting and conference.

KEYNOTE SPEAKER

# Capt. Bonnie Tiburzi Caputo

First Female  
Pilot to Fly  
For a Major  
U.S. Airline

In 1973, at age 24, Bonnie Tiburzi Caputo became the first female pilot for American Airlines and the first female pilot for a major American commercial airline. She flew as a Captain on the Boeing 727, Boeing 757 and the Boeing 767. In 1986 Tiburzi wrote her autobiography, *Takeoff: The Story of America's First Woman Pilot for a Major Airline*. She retired from AAL in 1999 after 26 years. Bonnie will be telling stories of her times as a woman in what was then a man's world, and answering audience questions.
