Airliners International 2024

Kansas City, Missouri

Welcome!

WELCOME to Kansas City!

Living in close by Lawrence KS, I am very familiar with all the wonderful things to do around the Kansas City Metro. Before or after Airliners International, I trust you have had time to see the WW I Museum, the Nelson Art Gallery, Union Station, maybe taken in a Royals or Monarchs baseball game and more. I know all of our very friendly Kansas City people have shown you that great Midwest hospitality!

And how about Airliners International! A chance to see one of two complete L-1011's left, the TWA Museum, our great seminar speakers, and our KC AI signature, the "Friday Night at the Props" BBQ! Noel Philips as our banquet speaker, and the world class collectibles show! Enjoy all the wonderful treasures you have found for your collection.

So as we part again after our 47th annual Airliners International, we wish you a safe and pleasant journey to your next destination. Here is a heartfelt thank you from our crew and staff, and THANKS for coming to visit Kansas City, the Heart of America!

Regards,
Chris Slimmer
WAHS Director of Events and Conferences

WELCOME to Airliners International 2024!

This year we return to Kansas City for the first time since 2007- that seems like yesterday to me!

Thanks again to Steve Cosgrove, Chris Slimmer and Bill Demarest for their HARD work in organizing our yearly get-together. Please thank them when you see them!

The World Airline Historical Society originated and supports these annual conventions. If you're not a member, please join us at WAHSONline.com or in person at our table in the exhibit hall (it's also renewal time!). You'll also have the opportunity to purchase collectibles that have been donated to the Society. All funds generated from these sales benefit the WAHS.

Our Board Members, who will be present at Airliners International, and I, welcome your feedback on how to better the Society. Have a wonderful time at the show, and in the Kansas City area!

Enjoy the show!

Phil Brooks
President, World Airline Historical Society, Inc.
